bitch

Bitch is the leading girl's brand in the country. Starting out a few years ago with a weekly Friday event that quickly gained credibility and momentum to be the largest weekly girls event in Australia, Bitch has been constantly evolving over the years to provide their growing audience with exactly what they want – a rocking good party time after time.

Bitch is a unique, dynamic weekly event for the gay community, providing house music in various nightclubs on Oxford St, Sydney. Bitch has proven to be consistently popular in the fickle nightclub industry and was voted Best Girls Night nationally by LOTL readers 3 years running.

Bitch's sound is distinct; in its smooth combination of funky house DJ's and live music elements. Bitch Entertainment, headed by Renee Schembri, has been responsible for many leading dance events, including the enormous Sweat fest with various International artists at Walsh Bay, Official Mardi Gras events including – Fair Day dance tent, Official Mardi Gras recovery, the monthly Bada Bing hip hop event, Bitch weekly Fridays, Get Together, and countless number of successful stand-alone events at Sydney's leading nightclubs.

Renee is planning on making this years' tour to the UK even bigger, bringing Bitch Residents DJ Sista P and Vocalist Kyla Sexton, along with DJ Neroli once again.
